Oceanview apartments and garden cottages
Where the rolling countryside meets the sea, we have found two impressive choices for a south-west getaway, close to Albany and near some of the most beautiful beaches along the southern coast.

The 12 Best Western Torbay Seaview Holiday Apartments command an elevated position with sensational sea views. Over two levels of contemporary style, these two- and three-bedroom apartments offer space, light and uninterrupted views from the upstairs bedrooms – including the master bedroom's double spa. Downstairs is a lounge, dining, kitchen and powder room.

Just down the hill, the Cosy Corner Beach Cottages have a village feel and with garden or ocean views.

They offer two- and three-bedrooms, spacious open-plan lounge, dining and kitchen. They are all single level and of house-like proportions and many have a spa. Like the apartments, the contemporary style includes leather lounges and the varying designs can include soaring ceilings and pleasing colours.

Whichever you choose, all guests can enjoy the resort facilities, including tennis court and activity centre for table tennis, pool table and a gym and there is a free DVD library.

It is just a short stroll to a secluded bay and a quick trip by car to the region's best nature parks, attractions and Albany for shopping and dining. The Cosy Corner Cafe next door offers delicious meals and receives rave reviews.
